1.  Comment. These statements supplement a previous report fur-

 Since the tent  
camp at Friedrichsfelde has not been reoccupied after the release of  
the KVP units stationed in East Berlin, it may be assumed that the  
new KVP units will be quartered in permanent installations. 

25X1A

It is not improbable that KVP units were moved  
to Buch, because sufficient quartering facilities may not be available  
in Berlin.
